0178:             <h2>The Story Behind the Company</h2>
0179:
0180:             <p>
0181:                 Semper Fi Services began with two Marines who carried a bigger vision for life after active service.
0182:                 Over time, that vision became grounded in real responsibility, long-term friendship, and a shared
0183:                 determination to build something meaningful for themselves and their families.
0184:             </p>
0185:
0186:             <p>
0187:                 Through deployments, transition, work, and fatherhood, the friendship remained. What held it together
0188:                 was not just shared history, but a shared mindset: keep moving, stay accountable, solve problems, and
0189:                 build something that lasts.
0190:             </p>
0191:
0192:             <p>
0193:                 Today, that same foundation shapes the company. Semper Fi Services is structured as a disciplined,
0194:                 execution-focused aerospace and government supply operation built around supplier verification,
0195:                 documentation control, traceability, process discipline, and contract-aligned performance.
0196:             </p>
