0179:
0180:                 <p>
0181:                     Semper Fi Services began with two Marines who carried a bigger vision for life after active service.
0182:                     Over time, that vision became grounded in real responsibility, long-term friendship, and a shared
0183:                     determination to build something meaningful for themselves and their families.
0184:                 </p>
0185:
0186:                 <p>
0187:                     Through deployments, transition, work, and fatherhood, the friendship remained. What held it together
0188:                     was not just shared history, but a shared mindset: keep moving, stay accountable, solve problems, and
0189:                     build something that lasts.
0190:                 </p>
0191:
0192:                 <p>
0193:                     Today, that same foundation shapes the company. Semper Fi Services is structured as a disciplined,
0194:                     execution-focused aerospace and government supply operation built around supplier verification,
0195:                     documentation control, traceability, process discipline, and contract-aligned performance.
0196:                 </p>
