0162:             <h2>The Story Behind the Company</h2>
0163:
0164:             <p>
0165:                 Semper Fi Services began with two Marines who carried a bigger vision for life after active service.
0166:                 Over time, that vision became grounded in real responsibility, long-term friendship, and a shared
0167:                 determination to build something meaningful for themselves and their families.
0168:             </p>
0169:
0170:             <p>
0171:                 Through deployments, transition, work, and fatherhood, the friendship remained. What held it together
0172:                 was not just shared history, but a shared mindset: keep moving, stay accountable, solve problems, and
0173:                 build something that lasts.
0174:             </p>
0175:
0176:             <p>
0177:                 Today, that same foundation shapes the company. Semper Fi Services is structured as a disciplined,
0178:                 execution-focused aerospace and government supply operation built around supplier verification,
0179:                 documentation control, traceability, process discipline, and contract-aligned performance.
0180:             </p>
